LETTER

FPM LETTER NO. (530-179)

Washington, D.C. 20416

October 29, 1973

Supersedes FPM Letter 530-178

SUBJECT: Adjustment of Special Minimum Rates and Rate Ranges Established
Under 5 U.S.C. 5303, Based on Annual Review

Heads of Departments and Independent Establishments:

1. FPM Letter No. 530-178, dated October 26, 1973, implemented the Commission's decision to provide the General Schedule pay increase to employees covered by special salary rates. That letter also advised agencies that because we had not completed the annual review almost all special schedules would be adjusted downward to the same relative dollar amounts that were in effect before the general pay increase. The purpose of this FPM Letter is to make those adjustments in the schedules and the new special rates are shown in attachment 1 to this letter.
2. The special rates for those occupations and locations as shown in attachment 1 will continue in effect until completion of the annual review. On the basis of review findings, the special schedules may be adjusted further as warranted by the facts.
3. No employee is to suffer any loss in pay because of the special schedule adjustments required by this FPM Letter. Attachment 3 contains the instructions for converting the pay of employees on the rolls to the new special or regular pay ranges as appropriate. It should be noted that there is no change in the special schedules for Medical Officer and Veterinarian. All other schedules have been adjusted.

Executive Director

1. This attachment contains the basic salary rate information for each occupation and grade level for which special rates are currently authorized.
2. The columns on the pages that follow identify:
 - a. Specific occupational series coverage by series code and title;
 - b. The geographic coverage; *
 - c. Grade or grade levels covered;
 - d. The special minimum rate, identified as "1st Step Rate";
 - e. The special maximum rate, identified as "10th Step Rate" for General Schedule occupations;
 - f. The amount of the within-grade increase;
 - g. The effective date which will be the first day of the pay period that starts on or after the date shown.
3. The full range of special rates for each grade can be prepared by successively adding the amount of the within-grade increase, as shown for each grade, beginning with the special minimum rate, to produce a rate for each step up to the special maximum rate. To illustrate, the Veterinarian, GS-701-9, situation is used:

(The special minimum (i.e., 1st step rate) is \$13,791, the special maximum (i.e., 10th step rate) is \$17,445, and the amount of the within-grade increase is \$406 a year.)

<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>9</u>	<u>10</u>
\$13,791	\$14,197	\$14,603	\$15,009	\$15,415	\$15,821	\$16,227	\$16,633	\$17,039	\$17,445

This procedure is to be followed in preparing a full schedule of special rates for each occupation and grade level listed in Attachment 1. As an aid to preparing the various schedules, Attachment 2 contains a comprehensive table which shows the correct dollar amount for each possible step for each GS grade which may be used in the various special schedules. By locating the special minimum rate and special maximum rate on these tables, the full range of authorized rate is readily identified.

* Where cited, SMSA means the Standard Metropolitan Statistical Area as defined by the Office of Management and Budget.

Instructions for Converting Employees' Pay
and Reporting Personnel Actions

Step Rate Change

1. The pay of employees on the rolls will be converted to the new special or regular rate ranges under the provisions of section 304 of Executive Order 11721, and in line with the rules contained in section 530.306 of the Commission's regulations. These provisions assure that no employee shall have his pay reduced because of the downward adjustment or discontinuation of special salary rates. The following illustrates the effect of these provisions:

- a. The new GS-5 special minimum rate for Accountant is lower than the superseded special minimum rate for this grade (Table No. 316). An employee in the first step rate of the superseded GS-5 special rate range and paid \$9,931, immediately before the effective date, and will be placed in the second step of the new special rate range.
- b. The special rates are discontinued at GS-9 for Pharmacist, State of California (Table No. 322). An employee in the 10th step of the discontinued GS-9 special rate range and paid \$16,227 immediately before the effective date, will retain the same pay rate on the effective date, and will be placed in a "saved pay" status. This is because the regular GS-9 maximum rate (tenth step) of \$15,821, is less than the employee's current rate, and no employee's salary may be reduced when special rates are discontinued.

2. Reporting Personnel Actions

- a. When an employee's step rate only is changed because of the elimination or downward adjustment of a special salary rate schedule, the personnel action will be processed as 899 Step-Rate Change. Actions may be reported individually on forms SF 50 or SF 1126 (or equivalent) or, as a mass listing. If a list is used instead of individual forms, FPM Supplement 296-31, table 6, should be consulted in preparing the list form. Table 7 of the same Supplement provided instructions on reporting the actions to the Commission. A reference to FPM Letter No. 530-179 dated October 29, 1973, should be entered under Remarks on the personnel action.
- b. If a special rate schedule is discontinued or reduced and, as result an employee's existing rate is higher than the maximum rate authorized for his position and grade, the salary rate shown on the "To" side or in the "New Salary" box on the personnel action will be followed parenthetically by the term "Saved Rate". Also a reference should be made under Remarks to "CSC Regulation 530.306".
